Dear Ms Laverty

Re Student Local Conference Participation

I am writing to acknowledge your participation in the 2010 Student Local Conference. Your involvement in student leadership will undoubtedly serve as a rewarding and memorable aspect of your teacher preparation program. I am confident this experience will help serve as a springboard to a successful teaching career and your future leadership opportunities.

The skills acquired during this conference in the areas of public relations, communication, team building, leadership and professionalism will serve you well throughout the remainder of your studies and long into your teaching career. It was a pleasure to have you as part of this conference. Your enthusiasm and energy were greatly appreciated by your colleagues and by the presenters who worked with you.

Again, thank you for your commitment to serving your profession. Best wishes with the continuation of your studies.

Sincerely

Kurt E Moench
