

Snow Camp February 6-8

Elizabeth Lavery,

Volunteers at Snow Camp are what make this camp an authentic experience for each child. You have shown great compassion to give up your personal time to spend with one lucky child for a weekend. Each child was carefully selected based on their special needs requirements and their underprivileged background. This fully funded camp would not run without volunteers like you. All the fundraising and planning BIG 105 & Tim Hortons do to make this camp successful relies on people like you to make the actual execution of the camp run smoothly and enjoyable. You have shown amazing patience, kindness and genuine care for the wellbeing of these children. On behalf of BIG 105 & Tim Hortons we thank you for providing such amazing support of this community program and hope to work with you again. Thank you for your time and invested interest in making a difference in children's lives!

Sincerely,
