Dear Ms. Lavery:

As the Minister of Advanced Education and Technology, I am pleased to advise that, because of your exceptional academic achievement, you have been awarded a Louise McKinney Scholarship valued at \$2,500. It acknowledges your outstanding accomplishments and encourages your continued education. I am honoured to present this scholarship to you and to extend my warmest congratulations.

You may be interested to know the Louise McKinney Scholarship honours the first woman elected to the Alberta Legislature. Louise McKinney was one of the "famous five" who fought for and won the right for Canadian women to be recognized legally as "persons". This scholarship, offered through the Alberta Heritage Scholarship Fund, represents one of the many opportunities available for Albertans to pursue their learning goals. Since 1981, this fund has provided over \$410 million to more than 240,000 recipients like you.

Again, please accept my heartfelt congratulations. I wish you every success as you continue your learning and acquire the knowledge and skills needed to pursue your goals.

Yours truly,

Doug Horner
Minister
